M PERFORMANCE PARTS

20-INCH DOUBLE - SPOKE LIGHT - ALLOY WHEEL 361.

Give your vehicle an unmissable aesthetic, with the largest technically feasible wheel and tyre combination approved by BMW for the BMW 3 Series Sedan. Available in an exclusive bi-colour ferric grey / burnished finish, or in black with red stripe.

REAR SPOILER.

Gives the rear end of the car a distinctively muscular appearance and also increases the downforce. Enhances and customizes the car's overall appearance and adds an aggressive sport appeal.

M PERFORMANCE AERODYNAMIC PACKAGE.

The M Performance aerodynamic package not only highlights the dynamic elegance of the BMW 3 series, but it also accentuates and customizes its sporty appearance.

The components are coordinated perfectly with the car in terms of both style and function. Give your BMW the breathtaking racing feel.
